

Dear members

With Optometry Scotland's AGM fast-approaching, a number of key roles are set to open up on our Executive Committee and Council.

We are seeking 4 Independent representatives to serve for a term of two years, and we are inviting applications from across our membership.

OS Independent Council Member

This role entails representing other independents, mainly within your region and surrounding areas. The successful applicant will be an ambassador for OS, encouraging membership and promoting the objectives of the organisation.

Carried out mostly remotely, it requires a commitment of 4-6 hours per month including attendance at key Executive Committee and Council meetings. The successful candidates must be OS members paying a full levy and own an independent practice. Current Independent representatives are eligible to re-apply.

This is a fantastic opportunity to play a key role within the organisation at the forefront of advancing word class eyecare in Scotland and influencing and shaping future policy on behalf of its members.

To request a more detailed role description or submit an application, contact office@optometriscotland.org. The deadline for applications/nominations is close of business Friday 22nd April.
