Wales

Early Re-test Reason Codes

- 1 Patient was identified at the last WGOS 1 Eye Examination / Private Sight Test as being at risk of changes to optical prescription.
- 2 Patient has an ocular pathology likely to worsen, e.g., cataracts and vision is borderline for driving; binocular vision anomalies, etc.
- 3 Patient that has presented with visual symptoms who following triage by the practice is not eligible for a WGOS 2: Band 1 but requires further examination.
- 4 Patient has been identified in WGOS protocols as needing to be seen more frequently because of ocular / health / behavioural risk factors.
- 5 Patient has been referred by a medical practitioner for a WGOS 1 Eye Examination.
- 6 A second WGOS 1 Eye Examination is necessary as the patient is unable to tolerate their new spectacles.
- 7 Other circumstances requiring clinical investigation which are not outlined above.

*You can claim an additional £15 for a voucher #1 only if: the person is aged <19years; **and** spherical power 4-6D inclusive; **and** the OMP or optician considers a non-stock lens supplement is required to improve the cosmetic appearance.
